

Junior Business Development Manager France (f/m/d)

AddApptr, a successful global operated mobile Ad-Tech company, is looking for reinforcement in Sales/Business Development for our Paris team. This position offers a huge opportunity for a young, dynamic, and communicative person (f/m/d) to join a truly international, and multicultural team that is constantly building a successful business unit in the exciting App environment.

Your Role:

- Work closely with top App publishers and developers.
- Contact strategic partners and media companies in the mobile ecosystem.
- Represent AddApptr at trade shows and conferences.

Your Skills:

- Ideally 1- 2 years of experience in the mobile/app industry or Business Development/Sales.
- Open communication, positive nature, and enjoyment in dealing with people.
- Ability to organize your work independently while working as part of an international team.
- Excellent communication skills in both French and English.

About AddApptr:

AddApptr offers a premium mobile programmatic advertising solution for large app publishers. At its core, AddApptr is a tech company. Billions of ad impressions are delivered each month via the AddApptr Meta-RTB solution, creating millions of Euros in advertising revenues for AddApptr publishers. AddApptr also offers a full-service package, managing all administrative work, account set up and yield optimization for premium publishers. Some of the world's largest app publishers and media companies are AddApptr customers.

What we offer:

- Experience a truly international work environment in a high growth company dedicated to a friendly work atmosphere with flexible working hours.
- A very competitive compensation package and share options program.
- Flat hierarchies and short decision paths.
- Join a market leader in the extremely dynamic mobile programmatic Ad-Tech space
