

## Mobile Developer iOS (f/m/d)

We are looking for a Mobile Developer iOS (f/m/d) to join our engineering team in the beautiful city of Hamburg! AddApptr is running the best mobile RTB solution with its software development kit for in-app advertising. As a Mobile Developer iOS (f/m/d) at AddApptr you will play a key role in creating the fastest, most reliable solution for mobile advertising.

### Your Role:

- Further development and maintenance of our AddApptr SDK
- Collaborating on designing solutions for new SDK requirements
- Testing the advertising integration of customers' apps
- Collaborating on concepts and designs for the advertising integration into apps
- Integrating our AddApptr SDK into apps of our premium customers

### Your Background:

- 2+ years of experience in iOS development using Objective-C and Swift
- Familiar with the interaction between Swift and Objective-C
- Experience with common iOS-Frameworks (UIKit, CoreAnimation, Foundation)
- Specific Know-How: UIKit knowledge in
  - Developing your own view classes
  - Advanced handling of UITableView
  - Animation of UIView instances
- Experience in connecting external (web) interfaces
- Experience in testing and debugging apps
- Familiar with tools: XCode, CocoaPods (integrating of Pods in apps, console)
- Experience in developing libraries would be a plus
- Experience with Swift 4 would be a plus
- Experience in Android development would be a plus
- German language skills would be a plus

### About AddApptr:

AddApptr offers a premium mobile programmatic advertising solution for large app publishers. At its core, AddApptr is a tech company. Billions of ad impressions are delivered each month via the AddApptr Meta-RTB solution, creating millions of Euros in advertising revenues for AddApptr publishers. AddApptr also offers a full service package, managing all administrative work, account set up and yield optimization for premium publishers. Some of the world's largest app publishers and media companies are AddApptr customers.

### What we offer:

- A dynamic and highly committed team in an international, fast-pacing environment that is enriched by daily challenges

- An organization with flat hierarchies and short decision paths
- Flexible working hours and home office regulation
- Competitive compensation package, training programs and share options program
- Stay fit and healthy with us: fresh fruits, coffee, tea & juices, “bike to work” with JobRad
- Regular team events and team lunches
- A centrally located office with a beautiful view by the shores of Hamburg’s Alster
